The Honorable Jo Bonner  
Jo Bonner for Congress  
P.O. Box 851232  
Mobile, AL 36685

Dear Representative Bonner:

I would like to inform you that NFIB's political action committee, the SAFE (*Save America's Free Enterprise*) Trust has endorsed your re-election to the U.S. House of Representatives to represent Alabama's 1st Congressional District.

Your re-election is not only critical to the small-business owners in your district, but also to protecting free enterprise across America. On behalf of all NFIB members, thank you for your service and congratulations on earning the endorsement of small business.

As you know, small business is the foundation of America's economy – generating the majority of the nation's jobs, innovation, and wealth. But this success exposes hardworking entrepreneurs to bureaucrats, political bosses and single issue groups who believe they can advance an agenda of unfair tax burdens, frivolous lawsuits and unnecessary government intervention on the backs of small business owners.

Most critically, small-business owners are struggling with the skyrocketing cost of healthcare. We are placing our endorsement in your campaign in order to build support for a national effort which secures increased access to affordable, quality healthcare for all small businesses and the families that depend on them for peace of mind.

NFIB National Political Director, Sharon Wolff Sussin, is responsible for working with your campaign team to develop a strategy that maximizes the impact of this endorsement to benefit your candidacy. You may contact Sharon at (202) 314-2010 or [sharon.wolff@nfib.org](mailto:sharon.wolff@nfib.org).

Once again, on behalf of NFIB members in Alabama's 1st Congressional District and throughout America, we are pleased to support your candidacy, eager to take part in the upcoming political debate and hopeful that we will share a well deserved victory in the upcoming election.

Sincerely,

Dan Danner  
Executive Vice President, Public Policy & Political
