Business Council of Alabama Endorses Congressman Jo Bonner

MONTGOMERY, Ala. – The board of directors of the Business Council of Alabama has endorsed U.S. Rep. Jo Bonner in the race for the U.S. House of Representatives in the First Congressional District.

“The Business Council of Alabama is proud to endorse Jo Bonner in his re-election bid to continue to serve the people of Alabama’s First Congressional District,” said Sandy Stimpson, Chairman of the BCA Board of Directors. “During the past eight years, he has been a tireless advocate for the growth and progress of the state of Alabama. The Business Council of Alabama believes Jo Bonner has the experience, work ethic, integrity, vision and proven leadership needed in the halls of Congress.”

Bonner was first elected to the U.S. House of Representatives in 2002, at which time he also had the endorsement of the Business Council of Alabama. Bonner serves on the Appropriations Committee and is the ranking member of the Committee on Standards of Official Conduct, also known as the Ethics Committee. His top priorities include growing the state’s economy to provide new opportunities for jobs and economic development. A congressional staffer for 18 years, Bonner served as both press secretary and chief of staff to his predecessor, former Congressman Sonny Callahan.

The Business Council of Alabama is a statewide association representing the interests and concerns of nearly 5,000 businesses and industries that employ more than three-quarters of a million Alabamians.
